MEMORIAM

*We cannot say, and we will not say
That they are dead—they are just away!
With a cheery smile, and a wave of the hand,
They have wandered into an unknown land, . . .
Think of them still as the same, we say:
They are not dead—they are just away!*

Adapted from James W. Riley

Mr. Schwab served as a member of the Kendallville High School faculty and administration for thirty-five years. His dedication to his work is illustrated by the fact that he missed only one day of school during this entire period. In appreciation for his important contribution to the education of each of his students, we dedicate this book to our former math instructor and junior high principal, Frank J. Schwab.

FOREWORD

From that exciting first day which brought an end to the leisure of our summer vacation to that final memorable event—receiving our diplomas in the commencement exercises, our high school days have been a truly rich experience. It is the purpose of this book to preserve in pictures and words the events and experiences of this past year.

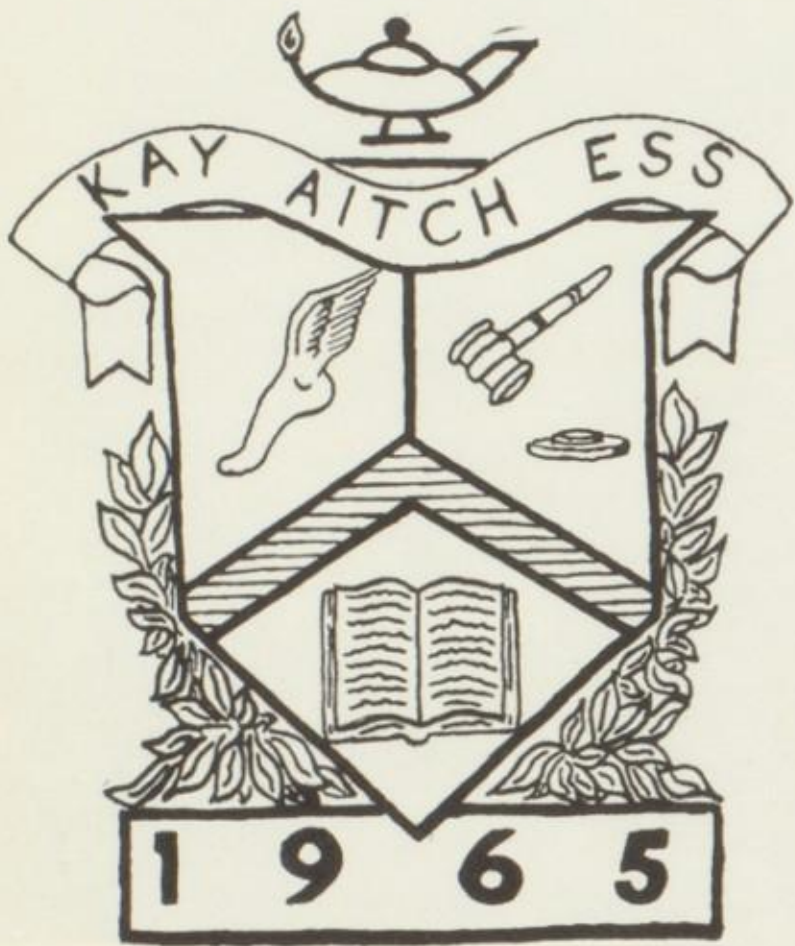

CASTLE KHS

FACULTY

THE ARISTOCRACY

Royal Tritch, our senior high principal, determines and administers school policies. He is available to assist and to advise senior high students and faculty whenever the need arises. Mr. Tritch also attends many extra-curricular activities and works continually to improve our educational system.

Herbert Hoffman, our junior high principal, is the administrator of the seventh, eighth, and ninth grades. Mr. Hoffman provides assistance and guidance to the junior high students and faculty.

Edgar B. Redman, superintendent, is the administrative head of the East Noble School Corporation. He fills vacancies and insures the smooth operation of our school system. Mr. Redman is constantly seeking innovations and changes that will improve our education system.

ROYAL W. TRITCH

SECRETARIES: Mrs. Neva Palmer, Mrs. Margaret Gould, and Mrs. Adele Ruderman act as vital links in their respective secretarial roles.

Mrs. Palmer is responsible for the records and money of extra-curricular organizations; Mrs. Gould is Mr. Hoffman's secretary; and Mrs. Ruderman is Mr. Tritch's secretary.

SCHOOL BOARD: LEFT TO RIGHT: Mr. David Baker, Mr. Harold Frick, Mr. Cecil Smith, Mr. Charles Longyear, Mrs. Louis Lash, Mr. Donald Parks, and Mr. Robert Marshall.

Mr. Frymier, Miss Stephens, Mr. Lebo, and Mr. Metz are demonstrating some of the skills that can be learned by students in their business courses.

NOBILITY:

INSPIRED US TO

HIGHER LEARNING

Mr. Bradley, Mr. Coffel, Mrs. Laughlin, Mrs. Rhodes, and Mr. Baker create the foundation for logic and the awareness of the wonders of science through their math and science courses.

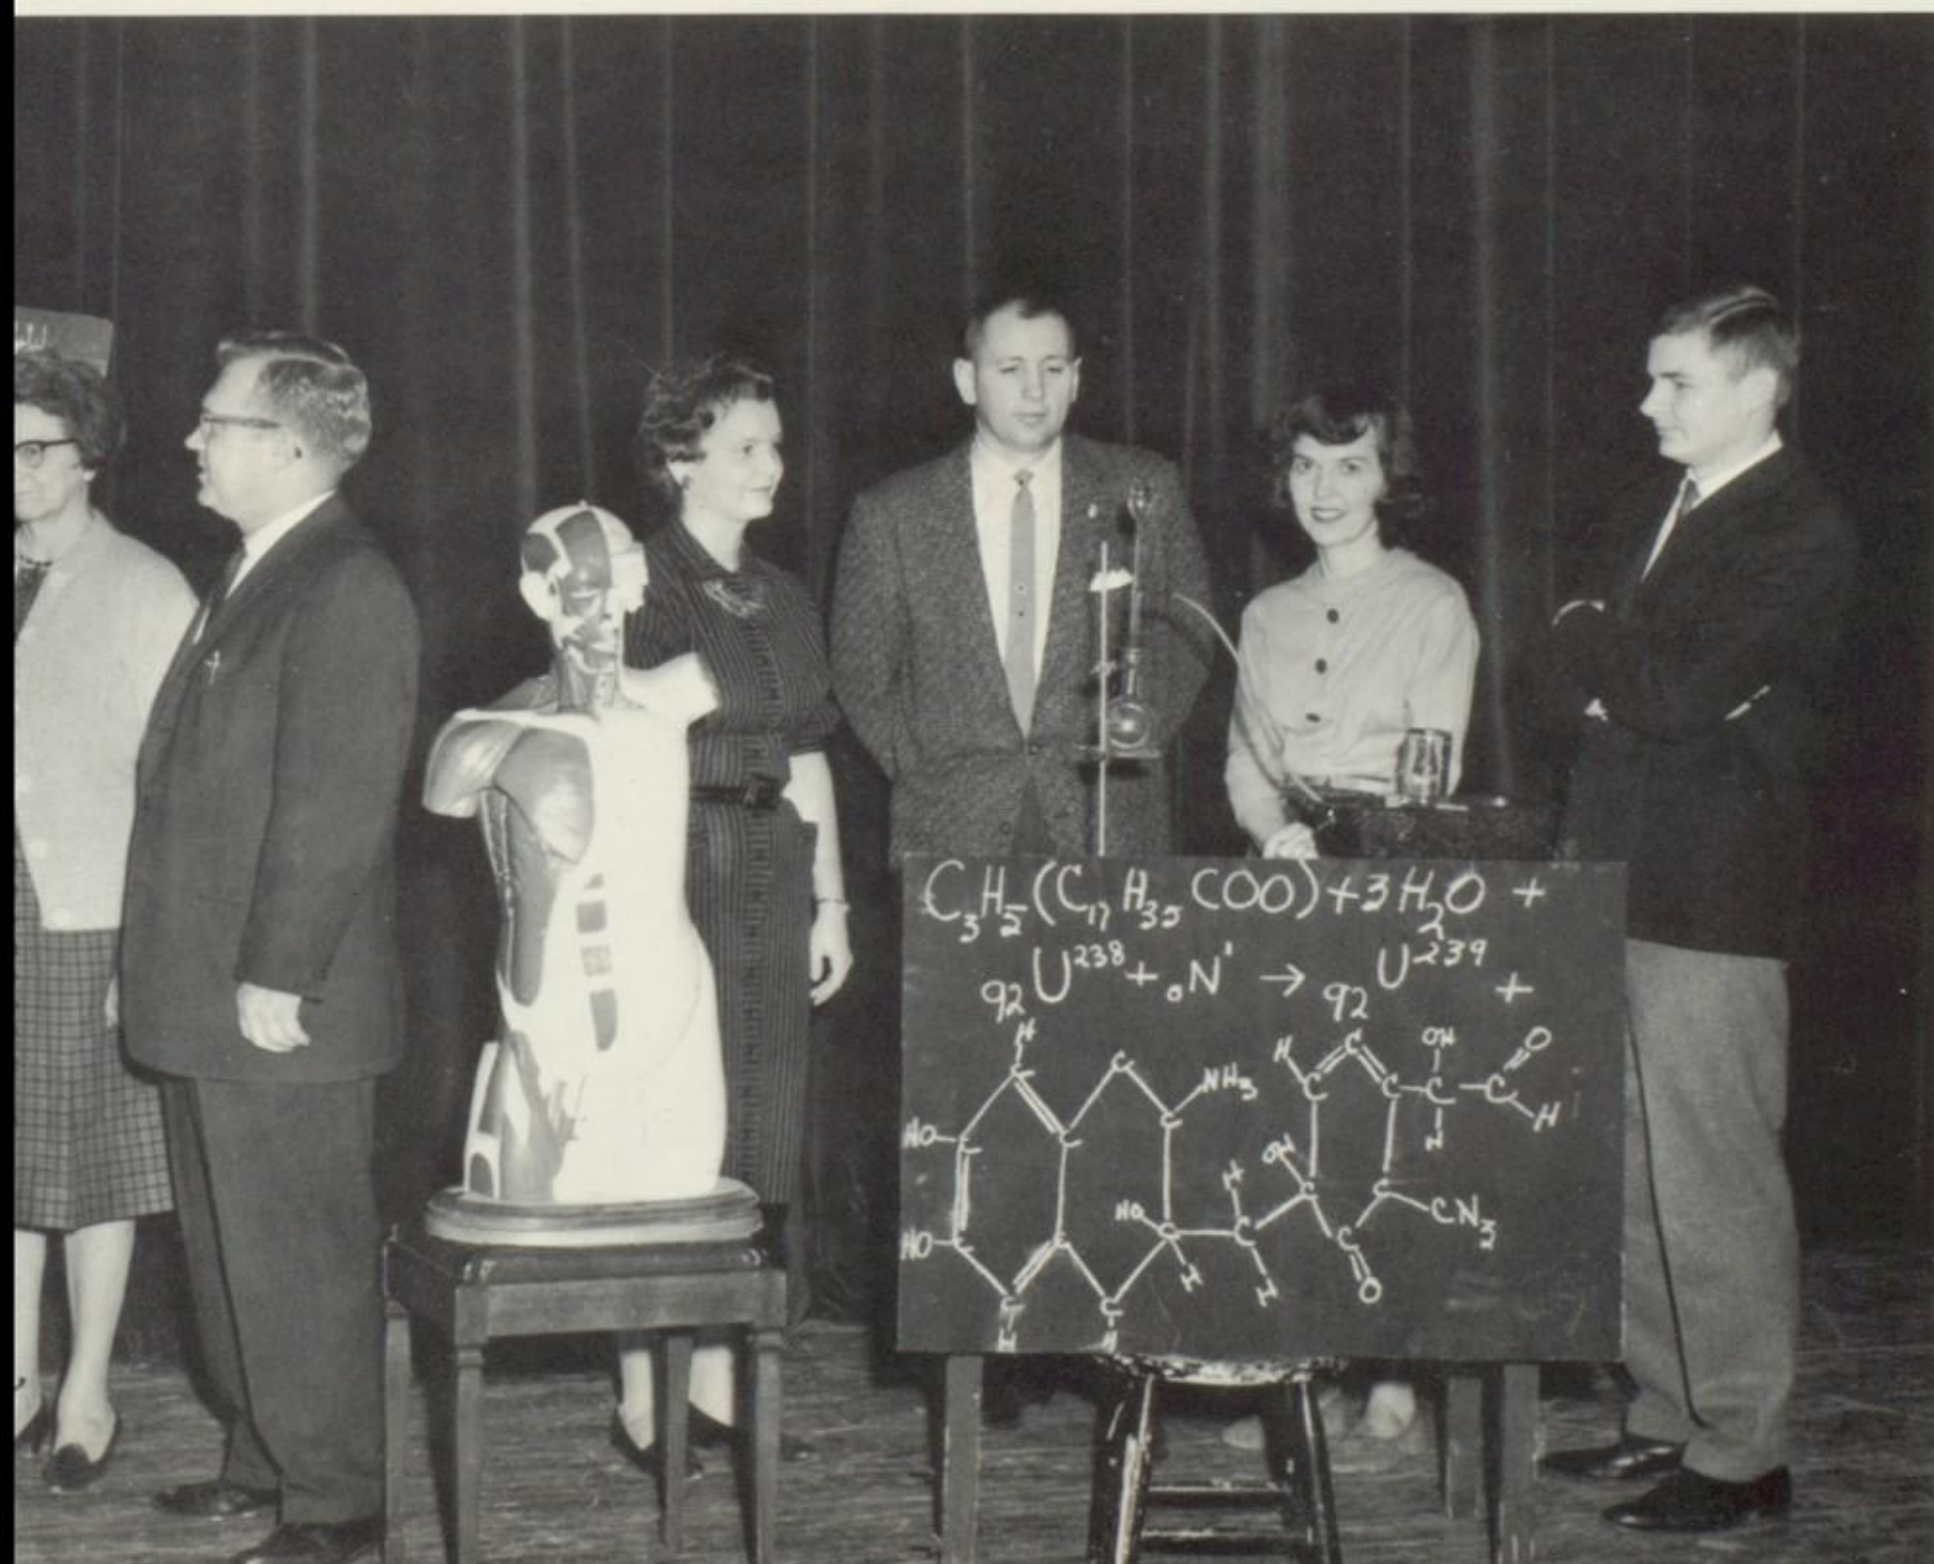

Miss Gilliland, librarian; Miss Henderson, choral director; Mr. Copeland, band director; and Mrs. Kimmell, art teacher, contribute to the cultural enrichment of our educational system.

Mr. Deeter, Miss Carl, and Mr. Stouder consider plans for improving scheduling and vocational guidance for all students.

Mr. Bowers, Mrs. Fischer, Mr. Sherman, Mrs. Engel, Mr. Reade and Mrs. Frank discuss student reactions to contemporary problems taught in their various social studies courses.

Miss Eminger, Mrs. Black, Mrs. Peck, Miss Baker, Mrs. McMinn, Mrs. Diggins, Miss Dawson, Mr. McMinn and Mrs. Hoffman are examining projects and discussing the improvement of foreign language, English, and speech courses.

Mr. Reed, Mr. Racht, Mrs. Mallon, Mrs. Smith, Mr. Clark, and Mr. Ferrario emphasize the importance of a good health and physical education program for all students.

Mr. Scheeler, Mr. Beyler, and Mr. Czupryn plan a useful course of study for the boys interested in industrial arts.

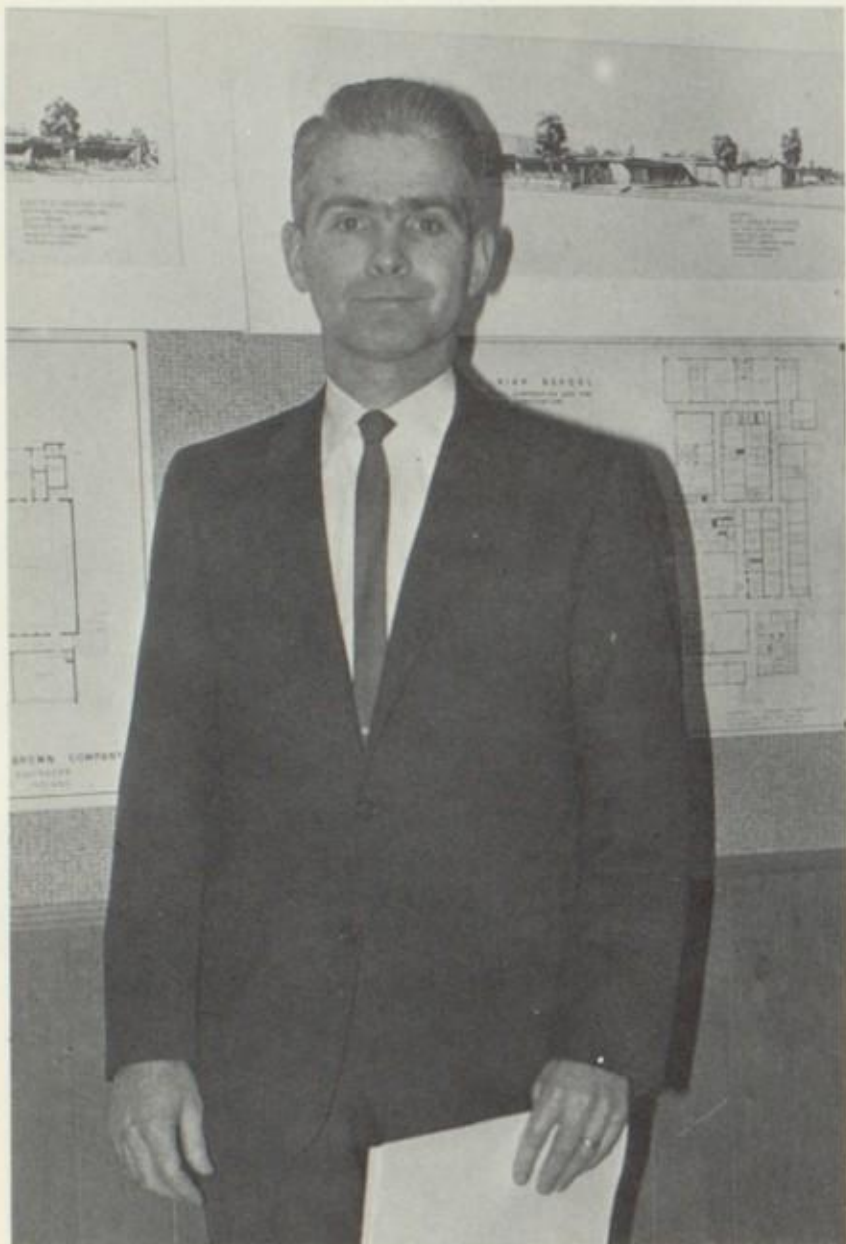

Mrs. Koons, Miss Vardaman, and Mrs. Jollief prepare girls for their roles as the homemakers of tomorrow through their home economics classes.

Miss Neal and Mrs. Troyer, who teach English, engage in an interdepartmental discussion with Mr. Savage, a science teacher.

SENIOR HISTORY

Reminiscing for a moment, the Seniors of 1965 first recall Freshman Parent Night, which consisted of a tour of the building, a program in the auditorium, and refreshments.

As sophomores, the main event was the selection of a class jacket which would be worn with pride. After much deliberation, the class chose blue jackets with white "K" 's and numerals.

The pace accelerated as we began our junior year. Now preparation started for our final year. We solicited magazine subscriptions since the proceeds of the magazine sales finance the Junior-Senior Prom. Another milestone of our high school career came when we chose our class rings. What an eventful day! Then came our class party "Junior Swings". Oh, the memories! We reached the climax of our junior year with the Junior-Senior Prom, an event we had long awaited. Now we were on the doorstep of our final and most significant year.

At last, our senior year arrived. There were senior pictures to be taken, announcements and name cards to be ordered, a yearbook to be compiled, and a Junior-Senior Prom to be enjoyed.

With great pride and much joy, tinged with a bit of sadness, we reached the goal for which we had been striving—baccalaureate and graduation day.

JUNIOR CLASS OFFICERS AND SPONSOR: Tom Atz, President; Dan Radcliffe, Treasurer; Mrs. Kimmell, Sponsor; Dwane Thomas, Vice-President; and Candy LaVigne, Secretary.

Under the capable leadership of the junior class officers and sponsor, magazine sales were excellent with a total sales of almost \$6,000 which topped the sales record of any previous class.

November and December were exciting months for the class. A big event in November was the lucky Friday the 13th class party, and in December the arrival of the class rings provided a welcome climax to the end of 1964.

As in past years, the juniors were busy second semester planning and preparing the biggest social event of the year—the Junior-Senior Prom at which the juniors were gracious hosts to the seniors and faculty.

SOPHOMORE HISTORY

The biggest event of the sophomore year is to order and to receive the class jackets. The students chose royal blue and white jackets; the "K" was designed by Tom Donat.

The sophomores are looking forward to the honor of being the first class to graduate from the East Noble High School. They now have two solid years of experience as they head in the direction of graduation.

STUDENT COUNCIL:

Help Form Student Policy

The Student Council of Kendallville High School is a charter member of the Indiana Association of Student Councils. Promoting better understanding between the students and faculty, the Council works hard in initiating new ideas to improve school life. Among the forthcoming changes proposed by Student Council is a "Dress Code" to improve the appearance of the students and to improve the atmosphere in which they work.

The Student Council also promoted a "Save the Children" project in which clothing was collected for needy families in depressed areas.

A notable accomplishment of the year was the installation of a National Honor Society for our school and the initiation of the first members of this group.

Each summer two council members are sent to a workshop at Indiana University where they gain ideas which will be beneficial to the improvement of our council.

Every two years the National Association of Student Councils sponsors a European tour for worthy council members. This summer, Dianne Diggins will go on the tour.

BOYS' STATE

Hoosier boys, attending Boys' State on the Indiana University Campus, from all parts of the state took part in daily marching drills and learned about Indiana's city, county, and state levels of government. The students, as Nationalists or Federalists, competed against each other for offices; then, they united to govern Boys' State. Through a combination of fun and learning, these boys became aware of the rights and duties of citizenship.

BOYS' STATE PARTICIPANTS: BOTTOM TO TOP: LEFT TO RIGHT: Chuck Courtney, Dave Cookerly, Mike Kessler, Doug Rasler, Pat Calkins.

Hoosier Girls' State was a mythical state made up of 919 Indiana junior girls. These students campaigned, voted, and served in offices won by election or appointment. Through actual practice and control, the girls gained the knowledge of the fundamental principles of Indiana government. Equally important, the girls acquired a greater respect for and understanding of local, county, and state government.

The Future Homemakers of America is a relatively new organization at Kendallville High School. The organization which was transferred to the Kendallville High School had been established at the Rome City School.

The Chapter's membership for 1964-65 was thirty members. There were six girls who attended the State Convention at Indiana University last June when Kendallville was recognized as an Honor Chapter. Six other girls are planning to attend the Convention this year. It will be held at Ball State University in June.

The Kendallville Chapter was the hostess for the Fall District meeting, which was held on October 17, 1964, in the Kendallville High School. About 500 FHA girls from surrounding areas attended.

The money making project for the Chapter is selling cookbooks. In April twenty-six girls received degrees for work completed during 1964-65.

Some of the outstanding programs for the chapter this year were Daddy Date Night, Traffic Officer, and the Mother-Daughter Banquet.

FTA: Explore Teaching

The Future Teachers of America Club has had another busy and successful year. One of the first activities was a trip to Garrett to visit the elementary school library which is operated by Miss Lois Cobber. It is considered one of the finest libraries of its kind in northern Indiana. At another meeting Mrs. Horall, the school psychologist, spoke to the group about the work she is doing in our school.

At Christmas time the members of FTA brought gifts to send to the Fort Wayne State School as they have done in the past, and the junior members of our club again visited Manchester College for a day to attend classes and to see the campus.

The cooperating teachers of the exploratory teaching program were guests at the April meeting of FTA. This was one of the clubs activities for Teaching Career Month.

Kathy DeVoe, as an exploratory teacher, gains experience that will be helpful in determining her profession.

The Kendallville Chapter of Future Farmers of America has 35 members. This year five members of FFA received their Greenhand Degree, and eight members were raised to Chapter Farmers. The chapter met each month on the first Wednesday during school and on the third Wednesday at night. Among the chapter fund raising activities was the sale of garden seeds and popcorn at football and basketball games. As a community service project, the FFA set up tables and chairs for the fish fry and tried to rid the community of pests by holding a pest contest. The club held two social events which included a party with the FHA girls and a roller skating party.

The judging record was good this year. In Land Judging, the team placed first in the county with Don Leighty high individual. In Poultry, the team placed first in the county with Ray Strater high individual. Overall, the FFA had a good year under the direction of the new advisor, Mr. Savage.

JCL: Studied About Rome

All Latin students were invited to attend the September meeting of the Junior Classical League at Bixler Lake Park. Singing Latin songs and participating in the Olympic games followed sack lunches.

The November meeting combined an initiation and a candlelight ceremony. The initiates, given a question on mythology by a sybil, answered before three judges. When a candidate had correctly answered or paid a penalty, he was given a pomegranate seed. This act qualified the candidate for the initiation ceremony.

Fifty-one members accompanied by Miss Eminger, the sponsor, and three mothers attended the Indiana Junior Classical League Convention at Clowes Hall, Butler University, on March 27.

The Roman Banquet, which was held on April 23, was the organization's final program. The theme was "The Founding of Rome," and the banquet included a slave auction, a four course meal, and the liberation of the slaves.

Y-TEEN: Strive to Build Individuals

The Y-Teen theme this year was "Y-Teens . . . Key to the Future." Through the year many interesting activities were carried out to convey meaning to this theme, including a picnic at Bixler Lake, the Father-Daughter Dessert, the Children's Christmas party, the Y-Teen Semi-Formal Dance, the Mother-Daughter Dessert, and the Senior Farewell.

Y-Teens teaches young girls all over the world the meaning of living a life with high morals and a spiritual understanding of Christ. It seeks to encourage young women to strive for a better world. It also helps young girls to work and to live together in harmony with one another.

Each member of Y-Teens participates in the year's program by serving on a committee, leading singing, giving devotions, or by having a special part in a program. This teaches young women the art of working together peacefully, which is an important factor in the future of young adults.

WIG AND PAINT:

The Wig and Paint Society of Kendallville High School had a successful year. Again, the club members proved what can be accomplished when all work together to succeed. This year Wig and Paint presented two plays: "The Mouse that Roared" and an evening of one-act plays.

A member of Wig and Paint may demonstrate any one of a variety of talents. One might work backstage on lighting, scenery, make-up or costumes; one might sell tickets, work on various committees, or act. Any of these various activities will result in the accumulation of the points necessary to become a Thespian.

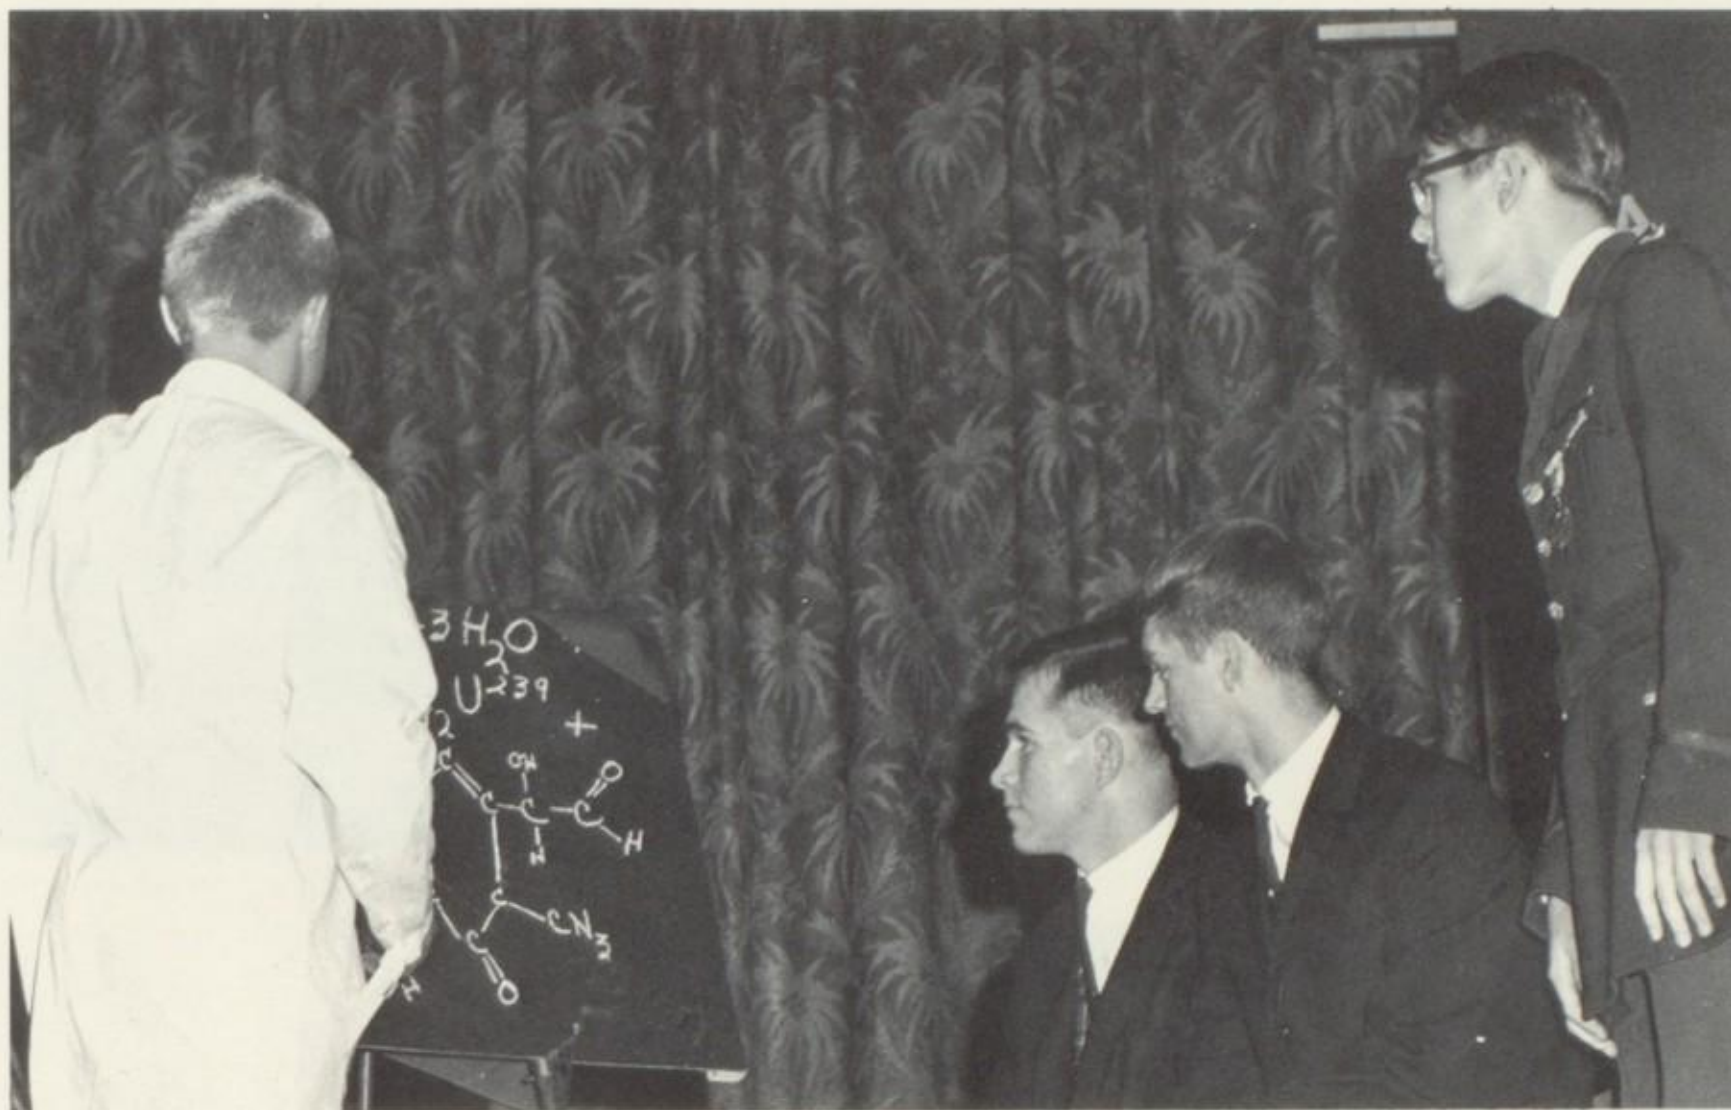

A Wig and Paint member is able to gain both practical experience and skill in dramatic arts. One acquires patience, faces disappointments, achieves pride in one's work, and learns to accept constructive criticism.

With all members working for the good of the organization, Wig and Paint can take pride in its accomplishments.

THESPIANS: Acted Well Their Parts

The Thespians of Kendallville High School are members of Troupe 1106 of the National Thespian Society.

To become a Thespian, a member of Wig and Paint must earn 10 points which is equal to 100 hours of stage work. When the required number of points have been earned, one must demonstrate his ability in a phase of the dramatic arts at a formal ceremony. A person accepted for Thespian membership must continue to strive for excellence in his performances.

Every Thespian member constantly works toward the level required to become a Five-Star Honor Thespian, which requires a 600 hour record of stage work.

A Thespian aims to set standards of dramatic excellence in his club; to promote interest in theater activities among the students, and to uphold the Thespian motto: "Act well your part, there all the honor lies."

The National Honor Society was organized for the first time this year at KHS. Tapping ceremonies were held in the auditorium during which 16 seniors and 15 juniors were selected. Having received National Honor Society keys, each student was congratulated by Student Council members and Mr. Tritch.

The Avilla Chapter installed the National Honor Society members in the KHS auditorium with an inspiring candlelight service. This ceremony was under the direction of Mrs. Hoffman, sponsor of the KHS chapter this year. Presented with honorary pins, each member pledged to uphold these four ideals: leadership, scholarship, character, and service. The members must maintain a 92 per cent average throughout high school.

The Kendallville High School Band, under the direction of Mr. Copeland, experienced a very exciting and prosperous year in '64. To begin their numerous activities, the band members attended Purdue Band Day and the Noble County Fair. Students did exceedingly well in both the District and State Solo-Ensemble Contests and the State Contest for Bands.

Winter and spring concerts, as well as two auditorium programs, were given by the band. All of these performances were very entertaining and successful.

Members of the band covered many miles as they marched in the Auburn Fair Parade, the LaGrange Corn School Parade, and the Memorial Day Parade. To add to these numerous performances, the band played at all home football games.

In addition, the Dance Band displayed much talent at the Band Carnival, Band Parents' Association, Volunteens Dance, Y-Teens Dessert, Business and Professional Women's Club, and Solo-Ensemble Contest.

All of the students participating in band shared many enjoyable and meaningful experiences that increased the prestige of the Kendallville High School Band.

CHORUS: Vocal Music Enriches the School Year

The vocal music department, under the direction of Miss Henderson has accomplished much this year. Both the Mixed Chorus and Girls' Chorus presented several auditorium programs for student assemblies, gave public performances, and sent numerous vocal ensembles to contest.

In addition to a very fine chorus, many of the members formed small ensembles under their own direction. All of these ensembles, the Senior Sextet, Mixed

Trio, Junior Sextet, and Nonette, sang for various civic clubs and participated in the Solo and Ensemble Contest in Fort Wayne. Jackie Shaffer received a first place rating at the State Contest.

In addition to the regular year's activities, the Mixed Chorus took a trip to Ball State to hear performances by choruses from various localities and attended a performance given by three university choirs.

KAY AITCH ESS: Toiled Over Our Yearbook

The "65" yearbook staff has worked very hard this year to present to you a clear picture of our present school life.

Work on the yearbook started in September when meetings were held to elect the theme and to decide on the cover of the book. Then we had the tedious job of getting ads and subscriptions, taking pictures throughout the school, setting up page dummies, identifying pictures, and keeping copywriters busy with last minute changes. Before we knew it, it was time to send our book to press.

It is our hope that this edition of the KAY AITCH ESS will serve as a reminder of this year's highlights and that it will bring you many enjoyable memories.

We would like to express our appreciation to our sponsors, Mr. Metz and Mrs. Frank, who have helped us present this year's KAY AITCH ESS to you.

The annual staff assisted the photographer for underclass pictures.

SPOTLIGHT: Produced Chronicle of the School Year

The Spotlight, our school paper, is under the direction of Mrs. McMinn.

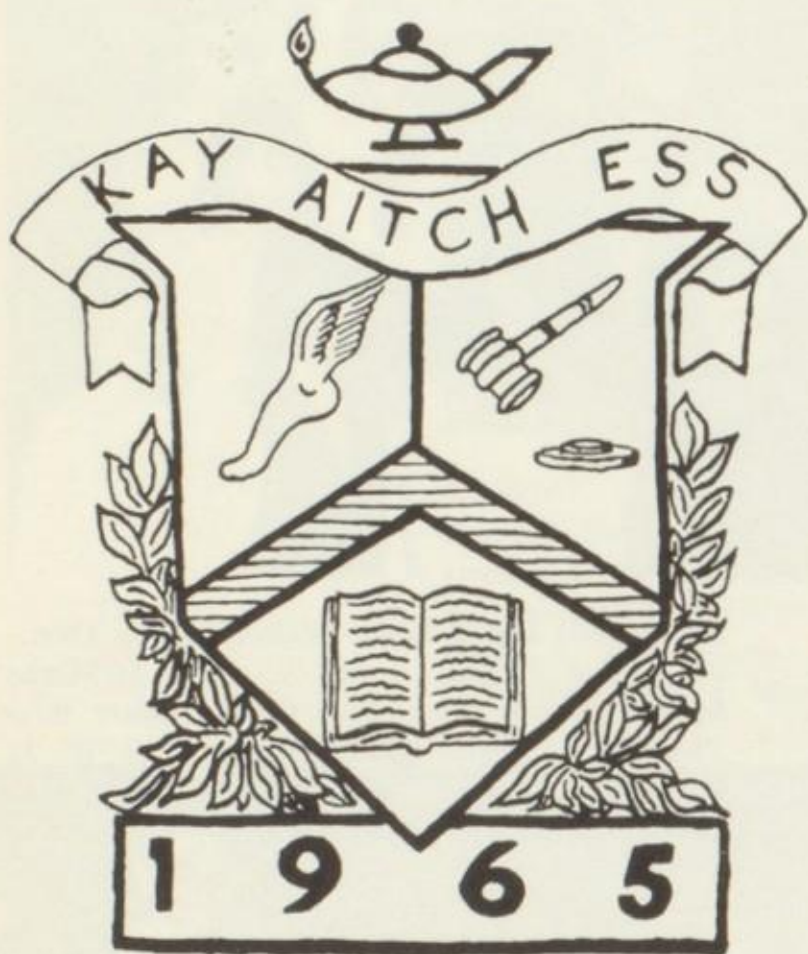

The Spotlight contains regular features such as reports of the various organizations and clubs, the latest news in sports, editorials, and other articles of interest to our students.

In addition to the regular monthly edition, the Spotlight published an extra "Tourney Times" during the sectional tournament. This edition contained pictures and line-ups of the teams participating in the Kendallville Sectional and general information concerning basketball.

ATHLETIC STAFF: Worked Diligently to Develop Athletic Abilities

Throughout the year, Kendallville High School has participated in six athletic sports: football, basketball, track, cross-country, baseball, and golf. Kendallville High School is a member of the Eastern Indiana Athletic Conference and the Indiana High School Athletic Association.

The fine athletic staff of Kendallville High School has done a commendable job in helping our athletes acquire the necessary qualities of good sportsmanship, desire, and determination.

PEP CLUB: Encouraged Our Team by Their Undying Enthusiasm

Win or lose, enthusiasm runs high.

The Pep Club is an organization which backs the football and basketball teams. In view of the lack of victories this year, this group should be highly commended for its spirit and backing.

Each spring the Pep Club elects cheerleaders, whom they help send to camp, and officers for the next year. The Pep Club holds a Christmas party and a party in the spring to give merits to outstanding members. For the tourney this year, the Pep Club added something new; they wore red carnations on their regular uniforms.

This year the Pep Club was taken over by two new sponsors: Mrs. Diggins and Mr. Scheeler, both of whom ably assisted the group. The officers were: President, Diane Rogers; Vice-President, Therese Andrysiak; Secretary, Barb Snapp; and Treasurer, Rosemary Drerup. The officers and sponsors did a fine job in keeping this organization in top form.

K-KLUB: Promoted Good Sportsmanship

K-Klub, which is composed of high school boys who have participated in athletics and earned enough points to receive numerals or a letter, has had another successful year in 1964-1965. This club also serves as a medium for presenting awards to Comet lettermen.

Members of the K-Klub worked hard in running the concession stand during football season and selling candy during basketball season to earn money for the banquets and dance.

The major events on the K-Klub calendar were the Fall Sports Awards Banquet, K-Klub Dance, the Elks Banquet, and K-Klub Banquet. At the K-Klub Banquet the annual Pop Guymon Award is presented to the outstanding senior athlete. In 1964 John Bodenhafer received the award, and in 1965 Gary LaRue was selected. At this banquet in 1965, eight seniors received their honor jackets.

KENDALLVILLE'S GRIDIRON TEAMS

The Kendallville Comets had a rather frustrating season this year, which resulted in the 0—9 record of the Comets. Although this record was not impressive, the boys showed great stamina and should be commended for their efforts. In a few games, statistics proved that the Comets had the upperhand even though the scoreboard did not show it.

There were some bright spots in the course of the season; Charles Courtney, center and team captain, was named to the All-Conference First Team. Seniors Perry Lawrence, Gary LaRue, and Steve Herendeen also received honorable mention in conference ratings. Several freshmen and sophomores saw varsity action this year which should keep prospects high for the coming season.

J.V. AND JUNIOR HIGH FOOTBALL

The Junior Varsity had an impressive record of five wins and only two losses for the 1964 season. Coached by Don Sherman and Todd Clark, the Meteors made a fine showing in every game. Many hours of practice helped to develop the younger boys' talents. John Smith, who made five touchdowns in one game, was the leading scorer for the Junior Varsity team.

COMETS: Roused Our School Spirit

The Kendallville Comets operated under a handicap this year in that they began their season without a letterman on the team. The team was composed mainly of Juniors and Sophomores; however, the underclassmen did an excellent job with the help of their coach, John Lebo.

Although the Comets didn't have the most impressive season record, they did show the skill they had developed when they defeated Avilla 75—71 in their first game of the Sectional. They were defeated in their next game by Waterloo. The season record was 1—22.

Mr. Lebo's young team has shown a tremendous improvement since the beginning of the year. Next year they will be the team to watch.

UNDERCLASSMEN:

COMETS OF THE FUTURE

Although Mr. Racht had a very fine team at the beginning of the year, he was continually losing his players to Mr. Lebo for the varsity. The freshman class showed great talent in giving Gene Racht the players he needed. Jim Wogoman, Stan Frazee, and Gary Thrapp were among the freshmen who provided the Junior Varsity team with the ability needed.

The meteors progressed throughout the year. They did, however, lose their Junior Varsity Tournament at Angola. With the fine coaching of Mr. Racht and the vigor of these young boys, Kendallville is assured of an excellent team in the future years at Kendallville High School.

CROSS COUNTRY: Ran Miles to Victory

The 1964 edition of the Comet Cross Country team finished the season with a good 9—7 mark. The sport is still very new at KHS, but interest in it is growing rapidly. This year, under the direction of the Coach Dave Bowers, the team has been very successful.

Cross country is a very exhausting sport and requires a great deal of stamina and will-power; KHS runners showed that they possessed these qualities. Since only two of the runners are seniors, Coach Bowers is looking forward to a fine 1965 season.

GOLF: Competed on the Fairways

The 1964 KHS golf team finished the season with a fine 11—4—1 record. Their only defeats came at the hands of Auburn, Concordia, and Garrett. The team started the season very well and won their first seven matches. They continued to play excellent golf all spring and placed 6th in the Conference and 13th at the Sectional.

The Reserves also had a great season. They compiled

a 9—0—1 record. Every man on the golf team was an underclassman so their achievements were doubly satisfying.

With everyone returning, the 1965 team performed very well. The boys showed a great deal of enthusiasm and confidence. They started the season by winning their first five matches and ended the season with a good record of 1—1—1.

TRACK: Battled on the Cinders

1964 was another fantastic year for track at Kendallville High School. For the second straight year, the Comet cinderman went undefeated in dual meets, won the NEIAC Conference championship, and won the Goshen Relays. The Comets finished a strong second to the powerful Elkart team in the sectional for the second consecutive time. Toward the end of the season the team was plagued with injuries, but it remained unbeatable.

During this great season the Comets set 7 new school records. Dave Hart set new records in both hurdle events, Rick Kirschner in the 220, Steve Reith in the 440, and Dave Desper in the mile. A team of Dave Hart, Rick Kirschner, Dick Sibert, and Roger Elliott set a new record in the 880 yard relay, and John Bodenhafer tied his own record in the pole vault. Dave Hart and Rick Kirschner also represented KHS in competition at the State Track Meet.

Although some fine athletes graduated in 1965, the 1965 Kendallville Track Team is still no pushover. The team is young, confident, and gave KHS boosters many thrills during the season. Dave Desper lowered his own record in the mile, and the track team performed well with a record of six wins and four defeats.

BASEBALL: Exhibited Sportsmanship on the Diamond

The Kendallville baseball team had a fairly successful 15—14 record in 1964. The playing was better than the record indicates since they lost numerous games by a close margin and were hampered by injuries. The Comets started slowly during the spring, but their record improved. When summer arrived, the Comets had a team to be reckoned with. The team finished strongly by winning 10 games in a row.

The Comets have only three returning lettermen for the 1965 season, but they fielded a strong team. The team, composed mainly of underclassmen, battled vigorously for starting positions. The team showed a great deal of balance, and with their hustle and speed they ended the season with a record of three wins and nine losses.

A "Hootenanny", which was held in September to acquaint prospective members with the activities and ideals of G.A.A., initiated an enjoyable year for members of the Kendallville Chapter of the Indiana League of the Girls' Athletic Association.

Fall and winter activities included sessions of ring tennis, basketball, trampoline, and softball. Bowling was the main activity of spring. Special events of the year included an evening of swimming at the Club Olympia in Fort Wayne, ice skating at the Coliseum, play days at Auburn and Huntington College.

FAREWELL

The last noble gesture of the class of '65 included the creation of this yearbook during our final year. The last touch has been added to our pictorial history, and future jousts in the recording of our school history rest with the Knights to follow.

As we have completed the trials of our apprenticeship, we now qualify as full-fledged Knights who are prepared to meet the challenges of our future quests in terms of the motto inscribed on our crest:

"To strive, to seek, to find, and not to yield."
